

ABL/ABLTW Shock Absorbing Lanyards

ABL2.0

We manufacture shock absorbing lanyards up to a maximum of 2m. Shock absorbing lanyards are available as a single or twin. The twin lanyard allows the user freedom of movement without the risk of being unattached at any time.

Designed for fall protection, complete with an integral shock absorber, which in the event of a fall minimises the force exerted on the user.

ABL2.0SH

Product Code: ABL
Conformance: BS EN 354, BS EN 355
